We hereby assign and authorise, until revoked in writing,

**EMO-LOG GmbH, Kuhlmannstraße 7, 48282 Emsdetten**

to clear import shipments through customs in our name and for our account, i. e. to submit the customs declaration in direct representation and to make the necessary declarations and carry out the necessary actions in connection with the customs declaration (import customs clearance).

The undersigned confirms that he is aware of the "General Terms and Conditions for Customs Services" ("Customs GTC") of EMO-LOG GmbH, which form the basis for the customs services provided, available at <https://www.emolog.de/downloads>.

In this respect he confirms in particular:

1. We have the power of disposal over the goods to be cleared. (\*)
2. We undertake to provide all documents and information required for import customs clearance in good time before the import customs clearance is provided.
3. We undertake to comply with all customs valuation provisions of European customs law. We are also aware of the information sheet and the instructions for completing the customs value declaration D.V.1. Relations within the meaning of Article 70 (3)(d) of the UCC exist / do not exist. (\*)
4. We submit all documents required for import customs clearance, if necessary in the original. This includes in particular import permits and licences as well as valid proofs of preference.
5. We expressly inform EMO-LOG GmbH in writing if tariff preferences, tariff quotas, tariff suspensions or other preferential treatments are to be claimed.
6. We are responsible for compliance with foreign trade law. We comply with all prohibitions and restrictions as well as other restrictions such as export control.
7. We confirm that all information and documents are complete, correct, and genuine.
8. EMO-LOG GmbH has the right to issue sub-authorizations.
9. We are eligible for full input tax deduction. (\*)

The import duties resulting from the import customs clearance (customs duties, anti-dumping duties, countervailing duties, protective duties as well as other additional duties, import turnover tax, excise duties, and other duties) are to be paid via our deferment account: (\*)
